TENUTA SAN GUIDO

Guidalberto 2020

Tenuta San Guido is a renowned winery in Bolgheri DOC, Tuscany. Its Sassicaia is among Italy's finest wines. Among Tenuta San Guido's range is also Guidalberto and Le Difese. In 1968, the first « Super Tuscan » was launched. World fame was not long in coming, as the « Sassicaia » icon symbolizes, like no other wine, the rapid advancement of Italian wines. GUIDALBERTO 2018 doesn't aim to follow in the footsteps of Sassicaia but rather presents itself as a wine that tells a different story of Tenuta San Guido's territory. The grapes are Cabernet Sauvignon and Merlot, offering full and fulfilling drinkability, with a personality different from Sassicaia but similar in elegance and taste. Its complexity and structure make it highly suitable for aging and refinement over time.
